## **CHARO'S BUSINESS INCUBATOR NOW OPEN!**

*Los Angeles* – CHARO Community Development Corporation is now offering affordable small business office space in the CHARO Business Incubator.

The Mission of the CHARO Business Incubator is to promote business enterprise development within our community by providing assistance to the early-stage growth of small business. The function of an incubator is to foster growth and facilitate emerging companies through their early stages of development.

The CHARO Business Incubator also serves to assist small businesses, growing out of their home office, transition into commercial office space by offering furnished office space, paid utilities and support services inclusive of one low rental fee.

The CHARO Business Incubator at 4301 East Valley Boulevard in Los Angeles is committed to enhancing the local economy through job creation, financial growth and access to capital

“CHARO’s corporate mission is to be an economic catalyst to our community, and this incubator will serve to assist start-up and existing small businesses survive in these tumultuous times by offering affordable space, technical assistance and guidance,” said Cynthia Amador, President and CEO.

Entrepreneurs who are interested in the Business Incubator program can apply for admission by completing the CHARO Business Incubator application. Rental fees start at \$350.00 and include paid utilities (except phone service), shared conference room and waiting area as well as a kitchen area, high speed Internet, business counseling services and much more.

To learn more about the incubator and to download the application, please visit [www.charocorp.com/business](http://www.charocorp.com/business) or call (323) 269-0751.
